NOTICE OF PUBLIC HEARING

Proposed Amendments to the 2014 Major Thoroughfare and Freeway Plan (MTFP)

The City of Houston Planning Commission will hold a **public hearing on Thursday, July 16, 2015 at 2:30 p.m. in the City Hall Annex Building, Council Chambers, Public Level, 900 Bagby Street, Houston, Texas, 77002.** The purpose of the Public Hearing is to allow interested citizens to be heard concerning proposed changes to the 2014 Major Thoroughfare and Freeway Plan (MTFP). The MTFP identifies right-of-way needs and proposes roadway alignments within the city limits of Houston and its Extraterritorial Jurisdiction (ETJ). The MTFP does not initiate the timing of right-of-way acquisition or construction activities related to the roadways.

Information on each proposed amendment will be available for public review at an **open house to be held on Thursday, June 25, 2015 from 5:30 p.m. to 7:30 p.m. at the United Way Community Resource Center, 50 Waugh Drive, Houston, Texas, 77007.** The applicants and Planning and Development Department (P&D) personnel will be available at the open house to answer questions.

This notification letter has been mailed to property owners and registered civic associations adjacent to roadways included the amendment request. Included in this notification package is information about the specific amendment which may be of potential interest to the respective property owner and provides answers to some frequently asked questions.

In addition to comments made at the Public Hearing, **comments submitted by July 3, 2015, using the online comment form** available on the website listed below, will be taken into account by the Planning Commission before making a decision on amendment requests. Additionally, the Commission will weigh information provided by P&D and other government transportation agencies in the Houston region. Four weeks after the public hearing, on August 13, 2015, staff will present recommendations to the Planning Commission. The Planning Commission will vote on each amendment and forward its recommendations to City Council by September 1, 2015. Once an ordinance for the amendments has been adopted by City Council, a new MTFP will be published by the City. More information about the MTFP and proposed amendments are available on the Major Thoroughfare and Freeway webpage at www.houstonplanning.com. The information can be found by selecting "2015 MTFP Amendment Requests" link under "Announcements" at the bottom of the page. You may contact the Planning & Development Department at 832-393-6600 or email amar.mohite@houstontx.gov.

2015 Major Thoroughfare and Freeway Plan (MTFP) Amendments

Frequently Asked Questions

Q What is a Major Thoroughfare and Freeway Plan (MTFP) Amendment?

A The City of Houston's MTFP was first adopted by City Council in 1942. It is a long range plan that provides for a system of thoroughfares and collectors to support overall mobility. It does not deal with timing of right-of-way acquisition or road construction. The Plan is updated through an annual amendment process. Amendments generally delete, add or modify a portion of a planned Thoroughfare or Collector. Streets such as Hillcroft Avenue, Kirby Drive, and FM 2100 are examples of planned Major Thoroughfares that have matured over the years. The Plan will continue to be modified in order to meet Houston's growing transportation needs.

Q What is an alternative?

A When the City receives an application to amend the MTFP, staff evaluates the proposed request and studies the adjoining area's major roadway network. The Planning Department (P&D) may identify and evaluate other options in the area, other than the one submitted by the applicant. Such options will be presented as alternatives at the Open House so that all interested parties are aware of options being considered by P&D and Planning Commission.

Q I received a letter from the City. Why? What does this have to do with me?

A If you have received a notice in the mail from the City, it means that our records show you own property that may be impacted by a proposed amendment to the MTFP. Please read the enclosed report to learn more about the proposed amendment that may specifically impact you and your property.

Q My property is located in the County, not within the City limits. Why is the City dealing with issues in the County?

A The MTFP covers not just the major road network within the City limits, but also within the City's Extra Territorial Jurisdiction (ETJ). This allows transportation needs to be addressed on a regional basis.

Q I am concerned about a proposed amendment. What can I do?

A First, you can find out more about the amendment request in the following ways:

- Read the report that was included in the mail out; see other helpful links on our website (*see below*)
- Go on-line to review the application and letter of justification submitted by the applicant:
↳ www.houstonplanning.com– click 2015 MTFP Amendment Requests under Announcements
- Attend the public **Open House** to meet with the applicant, talk to City staff & fill out a comment form:
↳ Thurs. June 25, 5:30-7:30 p.m., United Way Community Resource Center, 50 Waugh Drive, Houston, Texas, 77007 (*see map on reverse*)
- Contact the Planning Department staff and/or the applicant

Then, if you would like to make your concerns known to the City you can:

- Write an email, letter or fax to the City expressing your concerns
- Attend the **Public Hearing** and speak directly to the Planning Commission
↳ Thurs. July 16, 2:30 p.m., City Hall Annex Council Chambers, 900 Bagby, Houston, 77002 (*see map on reverse*)

Q What is going to happen at the public Open House on June 25? (*see map on reverse*)

A There will be map displays and information about each amendment request. You can walk around and view the information and learn more about the amendment requests that are of interest to you. You will also be able to have one-on-one conversation with the applicants and P&D staff. Also, you can learn more about what will happen at the public hearing and how you can best express your concerns to the Planning Commission.

Q What is going to happen at the Public Hearing on July 31? (*see map on reverse*)

A The Planning Commission holds a Public Hearing to provide an opportunity for concerned citizens to make their views known publicly. Comments submitted by July 3, using the online comment form on the website (refer to instructions above to locate the link on the website), will also be taken into account by the Planning Commission in making a decision on amendment requests. Additionally, the Commission will weigh information provided by the P&D staff and other government agencies concerned about transportation in our region.

Q Who decides what to do?

A Four weeks after the Public Hearing, P&D will present its recommendations to the Planning Commission. The Planning Commission will vote on each amendment and forward its recommendations to City Council by September 1, 2015. Once an ordinance for the amendments has been adopted by City Council, a new MTFP will be published by the City and made available as a reference to other agencies and the public throughout the year.

PRELIMINARY REPORT

2015: E18 – *East Little York Road*

APPLICANT: Harris County Engineering Department

KEY MAP: 416

JURISDICTION: Harris County

LAMBERT: 5762

DISTRICT/PRECINCT:
Harris County Pct.: 1

PROPOSAL:

Harris County is requesting the realignment of Major Collector E. Little York Road, between C.E. King Parkway and John Ralston Road, on the Major Thoroughfare and Freeway Plan (MTFP).

APPLICANT'S JUSTIFICATION and HISTORY:

The applicant states that the current alignment conflicts with an existing open sand pit where road construction is not feasible. The proposed alignment maintains east-west connectivity with a moderate change to the alignment. Two additional property owners would be affected by the amendment.

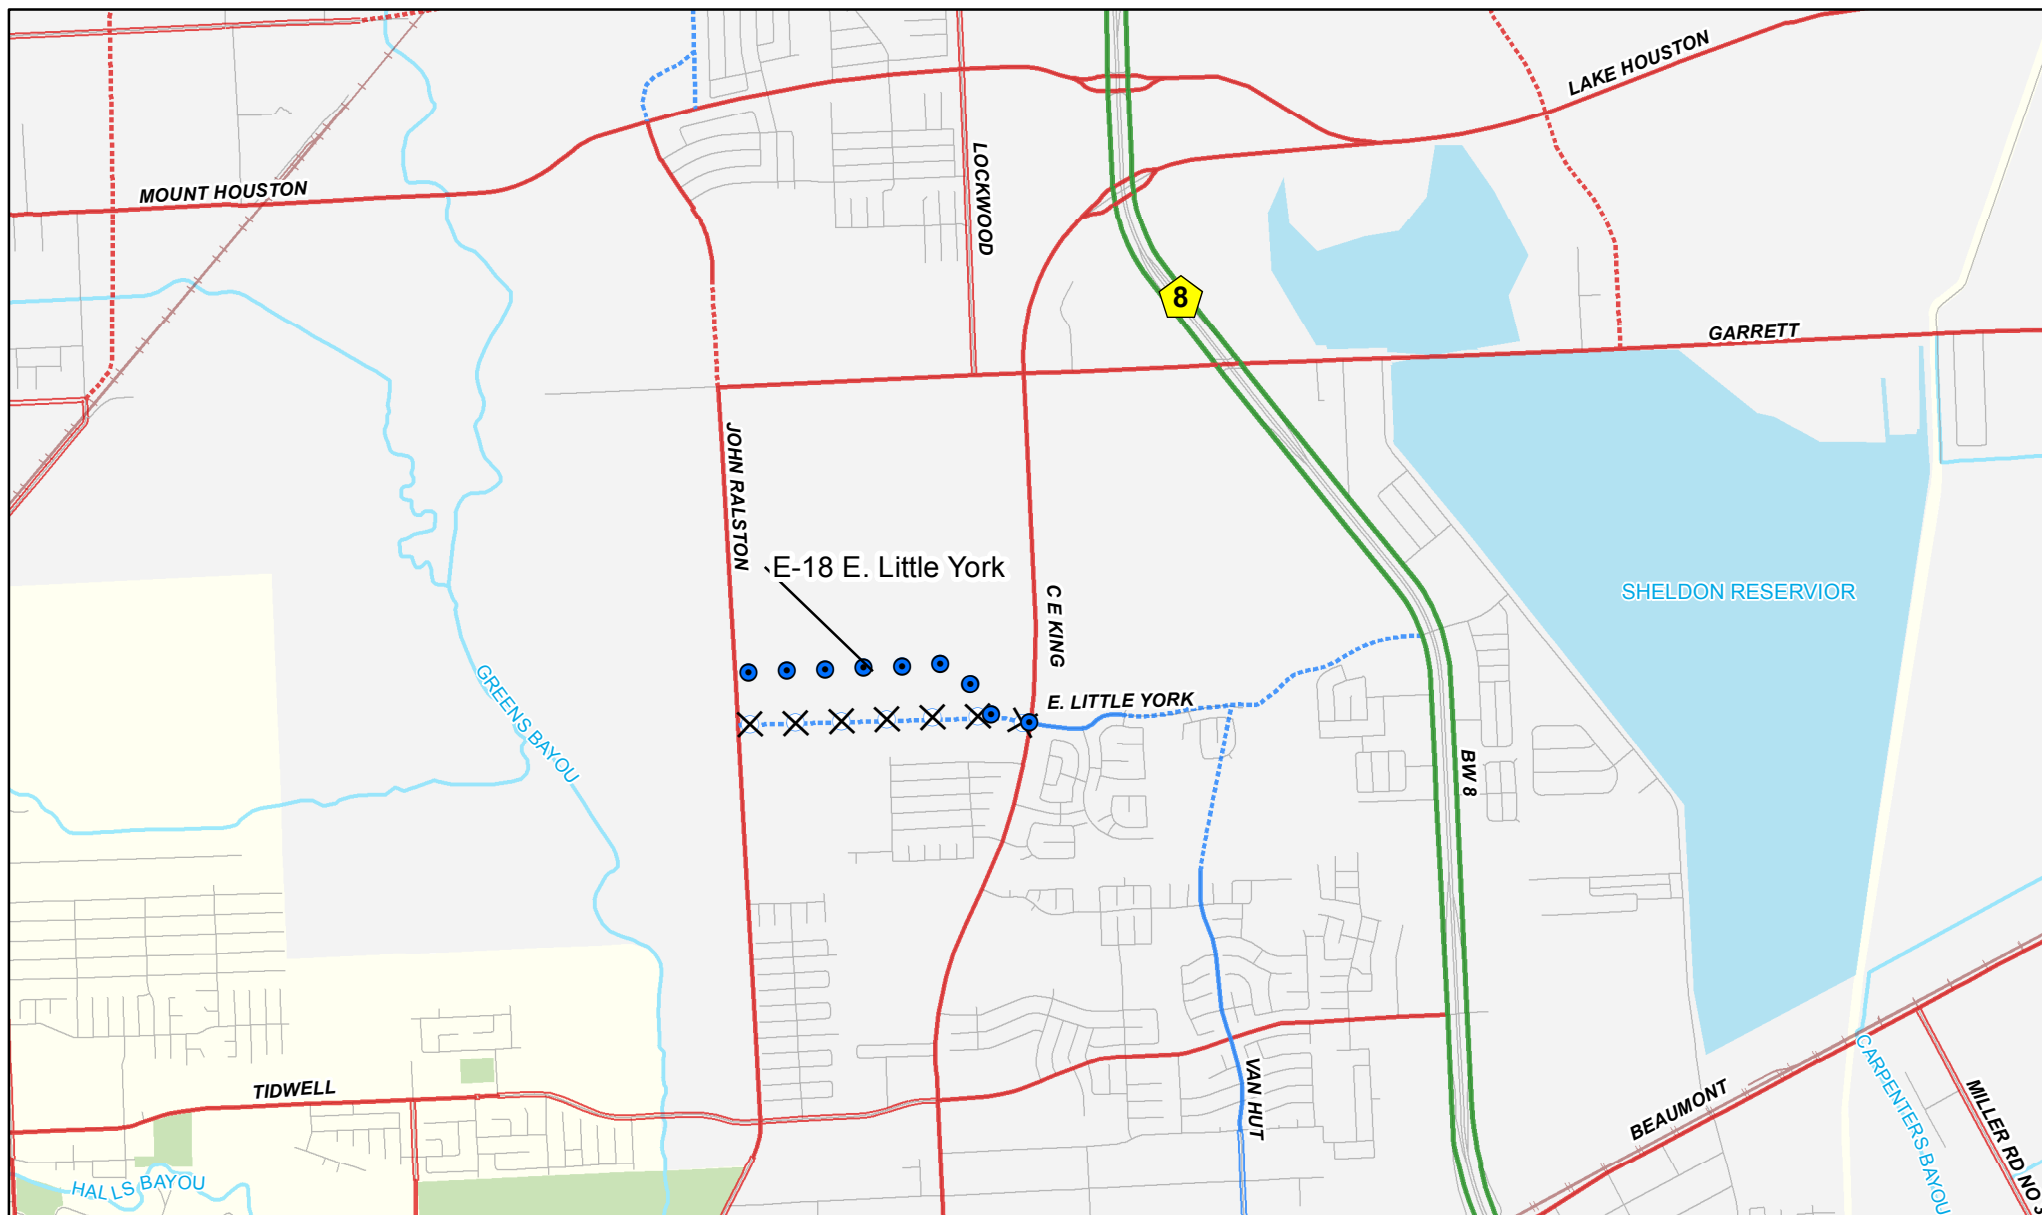

The applicant suggests that segments of E. Little York Road east of CE King Parkway are currently under design by developers as evidenced by the developments of Evergreen Villas, Hidden Meadow, Hidden Meadow East and Sunrise Pines. Property sales in the area are strong, increasing the likelihood of property on the proposed route being developed without allowances for the proposed roadway.

The applicant contends that if the current alignment is maintained, it would be very expensive to build a road across a sand pit because of soil stabilization issues. The current alignment impacts two property owners, PK B interests LP. and DCP Southern Hills Pipeline. The current alignment also appears to impact a detention pond closer to John Ralston Road.

The applicant also states that if the alignment is shifted to the north to avoid the sand pit, there are three property owners from which we would need ROW. These are Highland Management, Phillips 66 pipeline and Centerpoint Energy. If the alignment is shifted to the south to avoid the sand pit, there are also three property owners to the south from which we need ROW. These are Rebecca Baker, Bavaria CM I LTD and DCP Southern Hills Pipeline.

The applicant suggests that with all property owner impacts being equal, it would be better geometrically to shift the road to the north to follow the proposed tangent from the existing pavement at CE King Blvd.

An aerial from 2002 shows the beginning stages of sand pit construction for this area, and it appears that the sand pit was fully completed in 2008. The Major Thoroughfare alignment of E. Little York was added to the MTFP in approximately 1957 from Beltway 8 to the western side of town, to what is now Old Beckendorff Road. The 2003 map still showed this alignment. Between then and now, a section of East Little York Road was deleted between Mesa Road and John Ralston Road.
